C-Sport 4

The C-Sport 4 is the ultimate flat bar road bike.

The C-Sport 4 has the spirit of a true racing bike with the control of a city bike. Its lightweight, hydroformed aluminum frame delivers quick acceleration and precise handling while its carbon fiber fork dulls the vibration from road or trail, creating a comfortable ride for long hours in the saddle.

The C-Sport 4 features hydraulic disc brakes, a Shimano 1x10-speed Tiagra road drivetrain. Bianchi's lightweight aluminum handlebar, stem, seat post, and WTB saddle keep the cockpit comfy without adding unnecessary weight.
